– Bishop Sharon Zimmerman Rader,
Ecumenical Officer of the
United Methodist Church

During the 25 years that I have been privileged to serve Presbyterian churches in suburban Pittsburgh and the city of Atlanta, Samaritan CCC has helped me thrive in congregational ministry. Samaritan staff have been a sanctuary for me when I needed to consult about pastoral and personal concerns. They have helped our church staffs function effectively through consultation and team building. Their educational programs met specific needs in our congregations in timely ways. Their availability and quality was always excellent. As a minister, I found them uniquely able to walk with me on my faith journey, understanding the stresses and rewarding joys of parish life.

– The Rev. George B. Wirth, D.Min., Senior Pastor
First Presbyterian Church of Atlanta, GA
